

# Lightness Tournament and Games

Welcome!!!

We are so excited to present the Lightness Tournament and Games. We hope to continue to create an annual tradition that all can enjoy- riding in Lightness- and spending time with friends, and making new friends too!

The Tournament will be held this year at Tolland Falls Equestrian Center in Sedalia, CO. We will hold classes in the indoor arena and warm up will be in the outdoor arena. Stabling (reserve on the entry form) will be offered for \$50 per night.

We are planning a MANDATORY meeting on August 31 at 5:00-6:00 PM for ALL exhibitors. The purpose of the meeting is to review the details of the event, answer questions, and try to solve any problems before they occur. Please arrive promptly, as we would like to get everyone's questions addressed and then all get some rest before the show. We also plan a Saturday night social/Gala, with a buffet- so we can all get to know each other- and relax after a great day at the Tournament.

All breeds welcome!!

We look forward to a fantastic show, and thank YOU for supporting Lightness.
